ESC's Flagship International B2B Events

INDIASOFT

INDIASOFT is the flagship event of ESC organised to showcase India's IT prowess. Starting in 2001, the event has been organised consecutively for last 21 years enabling Indian software companies forge links with foreign buyers and counterparts.

With over 350 foreign delegates visiting every year, INDIASOFT has become an integral part of global IT exhibitions calendar.

INDIA ELECTRONICS EXPO & INDIA IOT WORLD EXPO

With a view to promote electronics exports, ESC has initiated an international electronics exhibition namely INDIA ELECTRONICS EXPO. The event provides Indian Electronics manufacturers an opportunity to showcase their products to foreign delegates from various countries of the world. In 2021, ESC has launched another program namely India IoT World Expo to showcase India's strength in Connected Devices.
